

History: “Salt & Light” & “Freedom Workshop” Discipleship Ministry

Mission: “To Know Christ & Make Him Known” through the equipping ministry of “Salt & Light” and “Freedom Workshop”: (The “how to” of the Message of the Cross.) Please take a look at: www.saltandlightgroup.com

We are teaching and training people to be self-feeding Christians, how to walk in Freedom and how to “minister out of the abundance of their relationship with the Father” ... just like Jesus did Himself.

God has led us all the way in the last 17 years...2000-2018! God designed this ministry to be very “comprehensive” & “reproducible” in its training for Christians and for those who will come to Christ.

Most people have never read the entire Bible, so they can have “the whole counsel of God”. With accountability provided we *read relationally through the entire Bible at our own pace, we *memorize scripture to guide our lives and to tell people what God says, not what we think, and we *teach each person how to do Inductive Bible Study. We also read *Biographies every two months and discuss. We Gather (**Hebrews 10:24-25**) ...We Grow... (**Colossians 2:7**) and We Go... (**Matthew 28:18-20**). “We are not the Message, just the messengers of the Message”

We have adopted the Anti-Sex Human Trafficking ministry “Created” (Tampa Bay is #1 per capita). We are also involved in serving, doing street evangelism, taking people on mission trips, local outreaches, feeding the homeless etc. So, it’s not just gathering and growing but also going! Again, God has designed this ministry to be very comprehensive.

We also regularly do annual outreach conferences & workshops. **Annually, the Servant Team goes away to plan the year.

We annually do Leadership Training Retreats, Large group outings and twice a year each group has ½ day of prayer.

God uses this ministry to train people for the “mission field”, at home and abroad....as you will see this in His fruit listed below. Most All of these ministries: local, National and International have all been birthed right here at Calvary Chapel St. Pete.

People that have gone through this ministry, as God moves them away to other places they reproduce and start the ministry that they have just been trained by. They are reproducing as a result of understanding and embracing 2 Timothy 2:2 and Matthew 28:18-20. It’s their own life changing experience and God’s direction through His Word that drives them to multiply i.e. Spiritual Multiplication. And as you will see below, they are!

2 Timothy 2:2 “Take these things you have learned and teach them to faithful men who will teach others also.”

Matthew 28:18-20 “Go therefore and make disciples...:

Also, this is not just a women’s ministry. Over the years the “Freedom Workshop” has been done 4 times at Calvary Chapel St. Pete for a mixed group of men and women. The first three workshops were for couples and singles together and just several years ago, we taught a “Men’s Freedom Workshop” at Calvary Chapel St. Pete...with a pastor overseeing. They also were taught how to do “Salt & Light” Discipleship.

This model is now being reproduced in other places...locally, nationally and internationally. In many of the locations listed below there are men and women doing the “Salt & Light” ministry and the “Freedom Workshop.”
